

v-momentum component (meter second-1)

Simplified Black Sea Model for RESM2016

Range of v-momentum component: -6 to 8 meter second-1

Range of xi_v: 0 to 479

Range of eta_v: 0 to 313

Current time since initialization: 1.8576e+08 seconds since 1988-01-01 00:00:00

Current two: 0

Current S-coordinate at RHO-points: -0.353659
